Now available – The Peptide Conference 2011 papers

Dear Colleague,

The Peptide Conference 2011 papers are now available in digital format produced through Yudu.com. We are sure you will find the conference papers useful in providing you with the information you need to manage your business in peptide drug and diagnostics discovery and development. The digital versions of the papers from the highly successful Peptide Conference held in Cambridge, UK from April 20-21, 2011, allow you to save presentations to your hard drive or print hard copies of specific papers or pages.

Here's how to receive 13 top-quality presentations from this year's conference presenting new developments in practical applications of peptides as drugs and diagnostics:

Subscribe to **The Peptide Conference 2011** papers at **£249.00** for **13 top-quality papers** by simply [clicking here](#) and either logging in with your existing yudu.com account details or by creating a new free Yudu account. Once your Yudu account has been created you can subscribe to the papers via PayPal or any major credit or debit card. Once subscribed you will be able to log into yudu.com at any time to view any of the papers available in the subscription.
